

# CHINA AFTERMARKET FORUM

## PURPOSE

Provide a forum for senior executives who manage China aftermarket operations for AASA and HDMA members to meet and discuss industry issues and solutions, share best practices and network among peers. Share information from other Forums or Councils in Europe or North America where appropriate.

## MEMBERSHIP

Membership is limited to aftermarket product manufacturers that are members of AASA or HDMA and that have China operations. Individual members are senior executives who manage their respective China aftermarket businesses.

## MEETINGS

The group will meet quarterly at a mutually agreed upon time and location. The group will determine each meeting's format. Work group committees may be formed to work on specific issue resolutions. Speakers may be invited to meet with the group to address specific subjects of interest. An issue list will be established at each meeting for the subsequent meeting. Time will be allocated at each meeting for open discussion regarding new issues.

## INITIATIVES

Brand protection, intellectual property rights	Remanufacturing
China and regional trade shows	OE part/application data (electronic catalog)
