MAHLE Original® gaskets feature OE form, fit and function across 99% of part numbers. Add in 1,200 exclusive SKUs and MAHLE Original gaskets cover 93% of vehicles in operation.

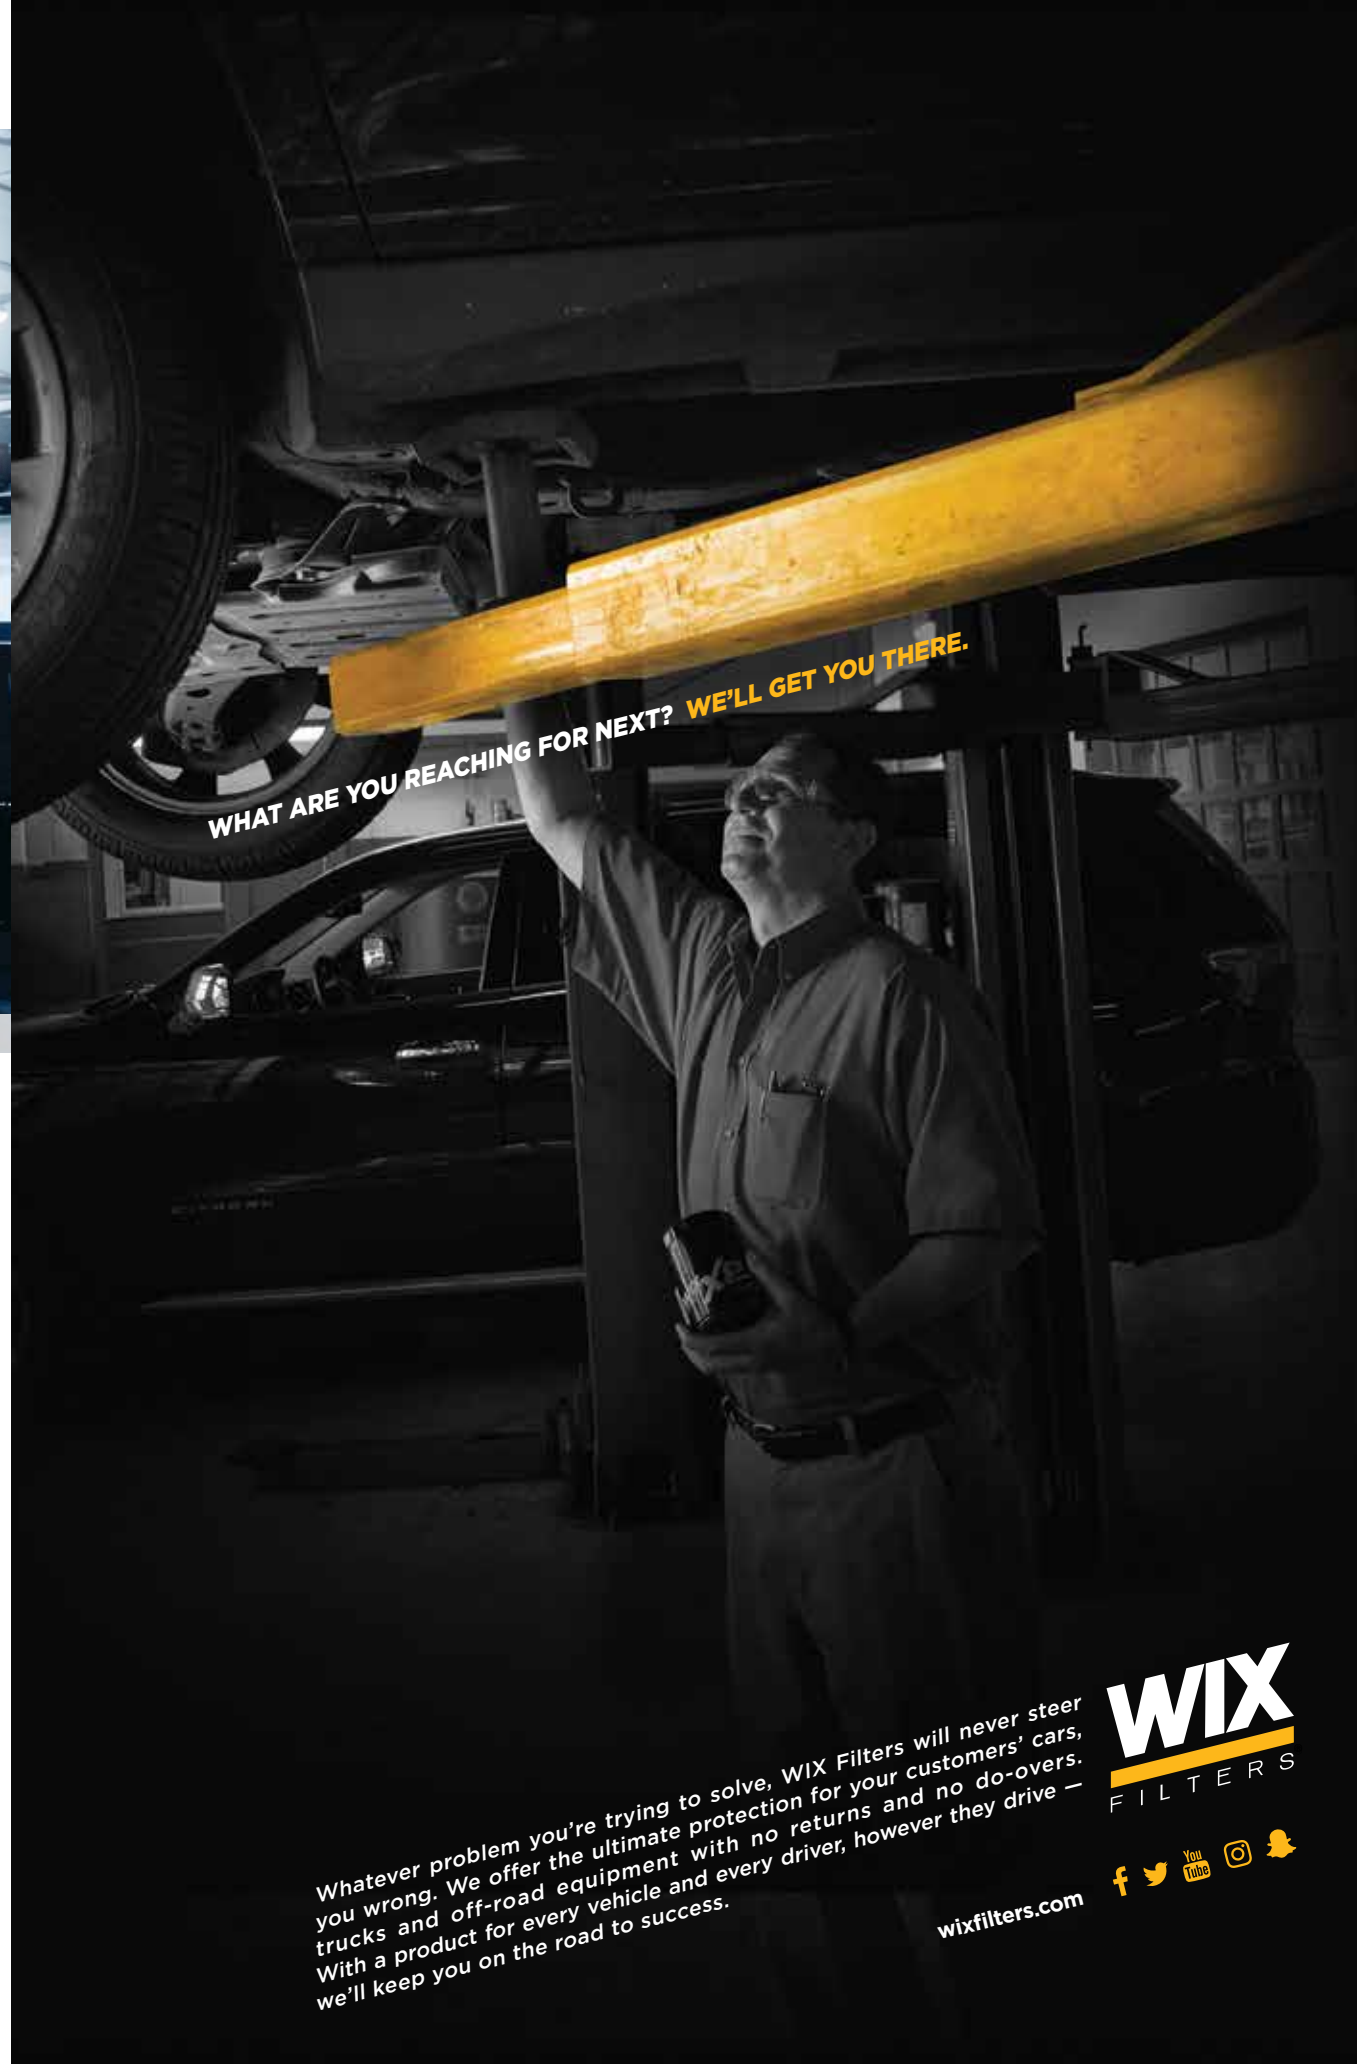

MAHLE Original® gaskets use only quality materials, such as multi-layered steel, to provide an optimal seal that can withstand the harshest of environments.

Innovative MAHLE Original® gasket packaging enables the customer to see the gaskets, without opening the package, and requires 20% less shelf space.

THE ORIGINAL CHOICE IN OE SEALING SOLUTIONS!™
