Building New Roads to Opportunity

- | | |
|------------|---|
| 8:30 a.m. | Freedom of Choice & Access to Data
A platform for dialog and collaboration is essential to creating freedom of choice for motorists for where they prefer to have their vehicles serviced and with the parts they choose. Emerging opportunities for new services and uses for the data will be discussed. |
| 9:30 a.m. | Networking Break |
| 10:00 a.m. | The Return of The Three Dragons: Three Competing Views of How the Aftermarket Will Unfold in 2019-2020
This unique panel discussion explores disparate viewpoints from an economist, a Wall Street analyst, and an aftermarket analyst and explore competing views of where our market is headed and what challenges and opportunities lie ahead. |

11:00 a.m.

Staying Ahead: The Future Road to Success

A futurist will help attendees understand which technology, consumer and geopolitical trends will change how the aftermarket does business.
